

Jabber Video using iPads/SIH and Windows Based Computers

Purpose: Reduce Covid-19 exposure and PPE utilization

ED WORKFLOW

- Providers in the ED will have a dedicated iPad labeled ED Provider, ED Triage and ED.
- Please follow SOP instruction provided.
- Nursing staff will answer the iPad device in the patient room by swiping the device open and video will begin immediately.
- Again, please refer to the SOPs and Jabber numbers provided.

COVID UNIT WORKFLOW

- ID, ED, Pulm, Hospitalist Providers have Jabber phone accounts enabled and will log in to their SIH windows based computer and open the Jabber application.
- Covid Units will be equipped with an iPad in each patient room.
- Nursing staff will answer the iPad device in the patient room by swiping the device open and video will begin immediately.
- Again, please refer to the SOPs and Jabber numbers provided.
